

ADVANCED CERAMICS & SCULPTURE PORTFOLIO

OPEN TO GRADES
11-12

ONE YEAR

1.0 CREDIT

FULL YEAR (VA390Y)

Prerequisite: 3 semesters of art or department approval

Take this course to deeply explore ideas and themes in your 3-D artworks. Develop your artistic voice and style as well as a portfolio throughout the year.

ADVANCED COURSE

ARTS & COMMUNICATIONS PATHWAY

BUILD YOUR SKILLS

- Work with new media and new techniques to strengthen your 3-D skills
- Create larger sculptures with more concepts and challenges

INVESTIGATE IDEAS

- Experiment and explore in your sketchbook within design themes
- Develop your artistic voice and style
- Collaborate with classmates to improve your work and concept communication

BUILD A PORTFOLIO

- Create a website to document your work for the year
- Showcase your artistic growth and prepare for a potential future in art

AFTER ADVANCED CERAMICS & SCULPTURE...

..students can continue to develop their 3-D art portfolio and earn college credit through AP 3-D Art & Design or they may choose to explore other medias by taking a different set of intermediate art classes such as Painting or Photography.
